Dear Parents and Guardians,

Hazel Health is offered FREE to our students through a partnership with Denair Unified School District. Denair High School students have access to on-demand doctor visits and mental health counseling sessions from school, at no cost to your family. To ensure your child has access to health services all year long, sign up today by completing the consent form: [my.hazel.co/denairusd](https://my.hazel.co/denairusd)
